

tremco illbruck is a European manufacturer and service provider of high-performance, sealing, bonding, waterproofing and passive fire protection for the construction and manufacturing industries. With more than 1,100 employees at 30 locations in Europe, Africa and the Middle East we achieve an annual turnover of EUR 315 million. tremco illbruck is one of six independent business units of RPM Inc., a world leader in specialty coatings.

To support the UK, European and global strategic needs of the business, Regulatory Affairs is the link between the company and regulatory authorities, ensuring that our products are manufactured, supplied and distributed in compliance with the appropriate legislation.

## Regulatory Affairs Assistant

Based in Wigan, Lancashire

### Your Tasks

- › Authoring and maintenance of Safety Data Sheets (SDS), product hazard communication and chemical compliance
- › Raw materials management; document maintenance, monitoring updates and/or changes
- › Undertake administration of Poison Centre notifications
- › Supplier compliance (raw materials and purchased goods) and provision of information to customers/downstream users concerning REACH
