

tremco illbruck is a producer of products for sealing, bonding and coating for the construction and manufacturing industry. We believe, it is often the hidden details that play a crucial role in the success of a project. And, this is where tremco illbruck come into play: wherever your life takes you, you will be surrounded by our products even if they are hidden once applied. Our solutions are used everywhere, from window and façade seals to passive fire protection, even to the bonding of components in household devices. Day in and day out, over 1,100 tremco illbruck employees across Europe, Asia and the Middle East work with dedication in the interests of our customers, creating impressive solutions for over 90 countries across the world and deliver an annual turnover of more than 300 million Euros. As part of the stock-market-listed RPM International Inc., USA, we benefit from the security of being part of a global company, whilst enjoying maximum entrepreneurial freedom.

With these fine details, we are helping to shape the world of tomorrow. Would you like to join us in this?

Technical Services Advisor

Based in Crayford

Your Tasks

- › Advise on fit for purpose choice of Firetherm products and the practical aspects of use to internal and external stakeholders via telephone and email.
- › Effectively process and manage customers' enquiries from technical queries to design drawings and general product advice.
- › To partake in the construction of UKAS accredited fire test build ups.
- › To work closely and liaise with the necessary departments to ensure that all customers' technical needs are fulfilled.
- › Provide in house take-off and quotation services for Paint and Thermal Systems.

Your Profile

- › Working knowledge of CAD or similar is advantageous.
- › Previous experience of working in the construction industry is essential.
- › Knowledge and understanding of construction drawings is advantageous, but not essential, as training will be provided.
- › Experience of working in a hands-on, fast-paced environment with the ability to multi-task, an eye for detail, and ability to prioritise workload is desirable.

What we offer

- › Competitive Salary
- › Bonus Scheme
- › Excellent benefits
- › Learning and development opportunities
- › Part of a growing International group

Become part of our team and shape the future of tremco illbruck Ltd.!
